I. BACKGROUND:

In 1995 the U.S. Department of Housing & Urban Development (HUD) introduced a consolidated application process involving four HUD Community Planning and Development (CPD) formula programs: Community Development Block Grants (CDBG), HOME Investment Partnerships (HOME), Emergency Shelter Grants (ESG), and Housing Opportunities for Persons with AIDS (HOPWA). This process replaced at that time all current HUD-CPD planning and application requirements with a single submission, and satisfied the minimum statutory requirements for the four referenced HUD-CPD formula programs.

In summary, the Consolidated Plan actually serves four separate, but integrated, functions. The Consolidated Plan is 1) A planning document for the City, which builds on a participatory process; 2) An application for federal funds under HUD's formula grant

programs referenced above; 3) A strategy to be followed in carrying out HUD programs, and lastly; 4) An action plan that provides a basis for assessing performance.

The City's Five Year Consolidated Plan covers the period July 1, 2010 thru June 30, 2015 and contains six basic components: (1) housing and homeless needs assessment, (2) housing market analysis, (3) strategies and priority needs and objectives, (4) action plan, (5) certifications, (6) monitoring. The action plan and certification portions of the document must be submitted annually to HUD for approval.

Copies of the City's PY 2010-2015 Consolidated Plan are available for inspection in the City's Community Development Department, 710 North 20th Street, Room 1000, Birmingham, Alabama from 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays. Copies are also available for inspection at the Birmingham Public Central Library, 2100 Park Place, Birmingham, Alabama, during regular business hours. Copies are also available for inspection on the City's website at www.birminghamal.gov.
